

Artist Agreement
January 2024

Artist Responsibilities:

- The artist must be a member of The Crossing Arts Alliance in good standing.
- Artwork must be handmade of original design and the artist's own work. Artist collaborations are allowed; however, one individual should be assigned as the primary point of contact and payment recipient.
- All artworks must be complete: canvas edges should be painted or be framed. Wall art should be ready to hang. Photography, prints and cards should be covered in appropriate size plastic sleeves.
- Each piece of artwork should be listed on an inventory sheet along with the retail price. Items that are similar and at the same price point will be grouped together at that price point.
- A **40% commission** will be taken by Crossing Arts on any piece sold. This helps to cover our operating costs so we can continue to bring exciting artwork and educational programs to our community!
- If you sell your artwork elsewhere, your pricing at Crossing Arts should be competitive with your pricing elsewhere. No more than a 5-10% upcharge from your typical pricing.
- All work will be subject to reevaluation after four months in the gift shop. Crossing Arts staff and/or the Gift Shop Committee will make a determination based on sales and other factors. You may be asked to pick up your artwork and/or replace your inventory with fresh work.
- If you are asked to pick up your work, please make an appointment to do so at your earliest convenience. We have extremely limited storage space. If your work is not picked up within two months of notification, and no other arrangements have been made, the work may become property of The Crossing Arts Alliance.

- Artists should consider insuring their work. The Crossing Arts Alliance will not be responsible for lost, stolen or damaged artwork, but will make every effort within reason to protect art from theft or damage.
- Artists may be asked to donate a piece of art to The Crossing Arts Alliance for fundraising purposes.

Gift Shop Responsibilities:

- Advertise sales hours through media, art events and Crossing Arts Membership.
- Provide point of purchase supplies such as bags, tissue and bubble wrap.
- Track inventory and sales, collect and pay sales tax as required, provide credit card services, pay card fees on all sales.
- Jury all work for appropriateness, quality, available space, marketability and uniqueness.
- Make every effort to protect art from theft or damage.
